

Dear Mr Pace,

As we informed you on 18 November 2016 (please see the attached letter), we transferred the NGO's comments to the European Commission for their further handling as an infringement complaint and for the follow-up, the Commission will contact the NGO directly.

The European Ombudsman is not a party to these proceedings.

To obtain information about the state of play of the case, the NGO can contact the Commission directly at [sg-plaintes@ec.europa.eu](mailto:sg-plaintes@ec.europa.eu).

Kind regards,

Eija Salonen

Madam

Reference is being made to previous correspondence dated 4, 8 and 9 November 2016 wherein it was agreed that the Noise Abatement Society of Malta's complaint would be forwarded to the European Commission.

During a meeting held at this Office with the NGO's Chairman this Office was informed that to date he had not received any correspondence from your end. It would therefore be appreciated if you could inform this Office whether there have been any developments on the matter.

Regards

Perit David Pace
